***We are building people of Faith that Love & bring Hope to our
community***

Dear Grain Shed,

As Easter draws near, we're reminded of the deep meaning behind the cross and Jesus' resurrection. In our upcoming Sunday service series, "Why the Cross," we'll explore Palm Sunday, the crucifixion, and the resurrection.

Palm Sunday marks Jesus' big entrance into Jerusalem, where He was welcomed like a king. This shows He's the promised Messiah, fulfilling God's plans.

The cross is a symbol of love and sacrifice. Jesus' death on the cross was a huge act of forgiveness, bringing us back to God. Through His sacrifice, we find redemption and a renewed connection with our Heavenly Father.

But it doesn't end there. Easter Sunday celebrates Jesus rising from the dead, showing He beat sin and death. His resurrection gives us hope for new life and eternal salvation. It's a reminder of God's power and love for us, even in our darkest moments.

Come join us as we reflect on what the cross and resurrection mean for us, and deepen our understanding of God's love and grace. Let's journey together through this season of spiritual growth and renewal.

Blessings,

Shayne, Emily, and Family

P.S. We wish everyone a safe and joyful Easter break, whether you're staying at home or traveling. May it be a time of rest, reflection, and celebration with loved ones.

Leadership News

Hello and blessings from Leadership

This year is going so fast! It is hard to believe that Easter is nearly here bringing with it the end of term one and the beginning of the school holidays.

Easter is a great time to invite friends, family or neighbours to church as we remember the death of Jesus Christ, the lamb of God, at our Good Friday service and then joyfully celebrate His resurrection on Easter Sunday.

Jesus' victory over sin and death allows us everlasting life should we believe and have faith in him!

Wow! What a gift! And it's totally free, not dependent on anything we've done or are doing but totally on what Jesus did on that cross.

Please spend some time sharing this great news to those who may have questions and are not sure of WHY.

We extend our prayers and best wishes for those who are travelling over this holiday time to see friends and family or just taking time out to have a break. Please travel safely and have a great time.

We will soon be launching a new app that will bring all our church activities together on one platform. Shayne and a crew have been working hard on this plus a new website to allow us to better communicate, and to enable as many people as possible to find out about all the goings on of the church on a weekly basis. Leadership has had a little 'play' on it and it's a great tool to have. Thanks to the team working on this.

A shout out to all the people who volunteer at the Grain Shed. We know and appreciate all that you do to help our church community run. From mowing lawns, helping distribute communion, cleaning windows, working in the kitchen, etc, etc etc. You are all greatly appreciated.

Please keep us in your prayers in your growth groups or as you have time with God. We need and appreciate all your prayers

Blessings and good health
